TECHNICAL SKILLS

- HTML, CSS/SASS, Bootstrap
- Responsive Web Design
- SEO, Google Analytics
- JavaScript, JQuery
- Node.js, NPM, Gulp
- Github, PHP
- WordPress Theme & Plugin Development

PROJECTS

Tou's Portfolio (toutouayang.com)

HTML, CSS/SASS, JavaScript

- A simple portfolio website hosted with Bluehost.
- Utilizes a color scheme consisting of cool and pastel colors to create a calming tone.
- Built using VSCode and basic front end languages as well as node-sass for efficiency.

Gym Champs (dev-gym-champs.pantheonsite.io)

PHP, CSS/SASS, JavaScript, jQuery, Gulp, WordPress

- A fully dynamic WordPress website providing information about the gym's classes, blogs, etc.
- Other tools: Lightbox.js for images, Slicknav.js for responsive navigation & media query snippets.
- Incorporates advanced custom fields, custom post type & sidebar widget to increase functionality.

Toyota 4Runner Landing Page (4runner.netlify.app)

HTML, CSS, Bootstrap, JavaScript

- A simple landing page to promote the Toyota 4Runner including its capabilities and features.
- Utilizes a variety of animations to produce a smooth user experience
- this includes keyframes, scroll animation, and slide animation.
- Includes the usage of pseudoelements as well as photo edited images.

Fangtastic Brows (fangtasticbrows.netlify.app)

HTML, CSS/SASS, JavaScript, Google Maps

- A static website to showcase information & the services of a local small business.
- Designed to be simple and elegant with a warm peach tone.
- Includes an image gallery and FAQ page built with pure vanilla JavaScript.
- Utilizes clean & clear fonts for readability as well as a hero section with parallax scrolling.

RELEVANT WORK EXPERIENCES

Assistant Site Manager, Aeon Management LLC

October, 2017 - May, 2019

- Managed confidential property & residential information using Yardi Voyager (resident ledgers, annual recertification, accounts receivables, accounts payables, etc.).
- Conducted property tours for prospective tenants and developed an efficient housing application management system using Microsoft Excel.
- Increased occupancy (143 apartment units) from 89% to 99% and maintained low delinquent rents.
- Received and processed 25-50 calls per day from residents, local vendors and public inquiries.

Student Leader, GAC - Dining Services

September, 2016 - May, 2017

- In charge of cooking and restocking as well as cleaning, opening, and closing down the station.
- Reported student worker attendance and ensured that they performed their respective tasks.

Teacher's Assistant, GAC - English Department

September, 2015 - May, 2016

- Graded paper assignments, photocopied course work and completed other office-related work.
- Coordinated class activities with students and assisted faculty in academic course development.

LEADERSHIP EXPERIENCES

Co-President, Hmong American Cultural Outreach Club

September, 2015 - May, 2016

- Served as head administer(s) of the club and facilitated club meetings and activities.
- Coordinated club events and activities every month both within and outside campus grounds.
- Acted as the liaison between the club, educational institution and outside organizations.
- Coordinated and oversaw our annual signature event, The Hmong New Year (over 300 attendees); this included advertisement, coordinating dining services, hosting special guests and budgeting.

HACO Secretary & Representative, Diversity Leadership Council September, 2014 - May, 2015

- Promoted various diversity initiatives and events, and also addressed important issues on campus.
- Took down meeting minutes during club and board meetings.
- Informed club members of club events and announcements via written and oral communication.

EDUCATION

Bachelor of Arts - Psychological Science Gustavus Adolphus College - St. Peter, MN
